

## 5Blocks Lapo Ciatti, 2008-2011

**IT** Sistema di contenitori a cassettoni e ribalte in MDF laccato con vernici prive di solventi e lavorazione a 45°. 4 lunghezze. I contenitori sono accostabili e sovrapponibili e fissati tra loro con Velcro® ad alta resistenza di tenuta. Maniglia integrata. Piedini regolabili. Guide con chiusura ammortizzata. Distanziali in MDF laccato. Rivestimento interno.

**Finiture:** laccato bianco RAL 9016.

**Accessori:** foro passacavi.

**EN** A storage solution composed of drawers and flap systems in lacquered MDF with a scratch-resistant solvent-free coating, worked at 45°. 4 lengths available. The units can be combined and stacked, anchored together by highly resistant Velcro®. Integrated handle. Adjustable feet. Drawer guides with damped closure mechanism. Lacquered MDF spacers. Inner coating.

**Finishes:** lacquered white RAL 9016.

**Accessories:** cable hole.

**FR** Système de rangement avec tiroirs et abattants en MDF laqué, peintures sans solvants, fabrication à 45°. 4 longueurs disponibles. Les tiroirs peuvent être rangés côte à côte et superposés, fixés entre eux avec du Velcro® très résistant. Poignée intégrée. Pieds réglables. Rails avec amortisseurs. Entretoises en MDF laqué. Revêtement interne.

**Finitions :** laqué blanc RAL 9016.

**Accessoires :** trou passe câbles.

**DE** Behältersystem mit Schubladen und Klappen, die neben- und übereinandergestellt werden können, aus lackiertem MDF mit kratzfester und lösmittelfreier Lackierung und Bearbeitung bei 45°. In 4 Längen. Die Behälter werden mit widerstandsfähigem Velcro® aneinander befestigt. Integrierter Griff. Verstellbare Füße. Gleitschienen mit Soft-Close. Distanzelemente aus lackiertem MDF. Innenbeschichtung.

**Ausführungen:** weiß RAL 9016 matt lackiert.

**Zubehör:** Kabeldurchführung.
